Congratulations to everyone that passed!!!

It was a very tough and demanding Grading (as it always should)

despite the low numbers. A special Congratulations all those that have achieved a new status of BLACK BELT!!!

Another congratulations goes to two members of the Instructors Team that Graded for their next level of Instructor:

Joshua James - JUNIOR INSTRUCTOR

Charlotte Ward - TRAINEE INSTRUCTOR

All awards will be given out in classes from Thursday 13th February.

A** Awards (20% or more higher than required)

For most of those that Graded this time around, this was a shorter time since the previous Grading, and so to Grade this time would have been much harder than usual. Although scores were generally much higher than required to pass, only 1 person achieved an A** this time:

William Holloway
